Dear Bob:

I have your kind invitation of 18 September 1965 to attend the NASA Interagency Program Reviews which I have enjoyed during the past year. If I may, I should like to accept this invitation on behalf of the Agency so as to send specially qualified senior people in my place if the exposure is more important to their specific work than to my overall understanding. However, I shall expect to attend a substantial number in the coming year.

Sincerely,

STATINTL

Albert D. Wheelon  
Deputy Director
